

Accelerated Certificate Program Policies Statement of Understanding (SOU)

PUNCTUALITY & ATTENDANCE

Instructors record student attendance in every class, every day that class meets. In order to be marked “present” for any class, a student must actively participate. Students must arrive with the required class materials and be ready to learn.

Punctuality - any student who:

1. Arrives 1 to 14 minutes late to class will be marked tardy. Three separate tardies (in one course) equals one day of absence.
2. Arrives 15 or more minutes late to class will be marked absent for the day.
3. Leaves 15 or more minutes early from class will be marked absent for the day.

Absence - any student who is absent a total of:

1. Two (2) days from all classes combined (per quarter) will receive a warning notice.
2. Four (4) days from all classes combined (per quarter) will receive a final warning notice and are required to meet with an academic advisor.
3. Six (6) days from all classes combined (per quarter) may be dismissed*

*For students on an F-1 student visa: Academic dismissal from the program will lead to termination of the student’s SEVIS record and I-20 for failure to maintain status. Students who are terminated will need to depart from the U.S. immediately.

ACADEMIC PERFORMANCE

Successful completion of an ACP program requires a passing grade of “C” (73%) or higher in every course. A student with a grade of “C-” (72%) or less in any course will not complete the program. This may negatively impact any planned activities the following quarter—e.g., second ACP, internship, OPT, etc.

ACADEMIC INTEGRITY

Any form of cheating, including plagiarism, is unacceptable. Students are expected to complete their own assignments as directed by instructors. Penalties for academic dishonesty are: 1st offense – student may receive a “0” on that assignment without the possibility of making up the assignment; 2nd offense – student may receive an “F” in the course and is required to meet with an academic advisor; and 3rd offense – student may be subject to immediate dismissal.

RECORDING & ELECTRONIC DEVICES

No recording (audio, video, photography) is allowed in class. Unless approved by the instructor, all electronic devices (other than laptops/tablets used to access course materials) must be silenced and put away in a location that is out of sight.

I fully understand and agree to follow the policies above.
